FULL TEXT OF THE GENERAL INFORMATION AND GUIDELINES

Each year, the University of the Philippines Alumni Association (UPAA) gives recognition to alumni achievers, as follows:

- The **UPAA Most Distinguished Alumna/Alumnus Award** may be given to an alumnus/alumna who—in addition to qualifying for a **UPAA Distinguished Alumni Award**—also satisfies the criteria for the **Most Distinguished Alumnus Award** described below
- The **UPAA Distinguished Alumni Awards** are conferred on alumni who have demonstrated exceptional achievements and outstanding contributions in their chosen field of endeavor.
- The **UPAA Lifetime Distinguished Achievement Awards** are given to senior alumni who have achieved professional distinction and demonstrated meritorious service throughout their career.
- The **UPAA Distinguished Service Awards** are given to individual alumni and alumni chapters or groups who have rendered exceptional service in the pursuit of the goals of the University and/or the Association.
- **UPAA Multi-Generation U.P. Alumni Family Awards** will be bestowed on families who have produced, as of the end of 2011, at least three successive generations of U.P. alumni.

Nominations for these awards may be made by any U.P. alumnus, alumni chapter or local search committee. Evaluation of nominees and selection of awardees will be made by the UPAA Search and Awards Committee and affirmed by the UPAA Board of Directors.

The guidelines for these five types of awards are detailed below.

UPAA MOST DISTINGUISHED ALUMNUS AWARD

The nominee must satisfy all the criteria established for the UPAA Distinguished Alumni Award described below, *and* must significantly stand out among the Distinguished Alumni Awardees selected for the year, e.g., if s/he achieved distinction in multiple professional fields or areas of endeavor, or made a clearly greater qualitative or quantitative impact than other awardees in her/his profession or areas of endeavor.

In addition, the nominee must have attained national, and possibly international, prestige that has brought honor and distinction to the University and the country.

The Most Distinguished Alumna/Alumnus Awardee is required to personally receive her/his award during the 2012 General Alumni-Faculty Homecoming and Reunion on 23 June 2012, and to attend the U.P. Alumni Council Meeting the day before, on 22 June 2012, both to be held at the Ang Bahay ng Alumni in the U.P. Diliman campus.

UPAA DISTINGUISHED ALUMNI AWARDS

The UPAA Distinguished Alumni Awards are conferred on alumni who have demonstrated, in their chosen field of endeavor, exceptional achievements and outstanding contributions that bring about substantial benefits to society and distinct honor to the University. Recognition is given to achievements and contributions that impact the community in which the alumnus/alumna is or has been active, whether this is at the local, national or international level.

General Criteria for the Awards:

Evaluation of nominees for the Distinguished Alumni Awards will be based on the following general criteria:

SERVICE ORIENTATION – the nominee’s work has clearly benefited other people, groups and society at large, and not merely private or personal interests;

LEADERSHIP – the nominee has demonstrated effective and inspiring personal leadership in accomplishing the work for which s/he is being awarded; i.e., achievements can be attributed more to the person than to the official position/job/title s/he has held;

IMPACT – the nominee’s work has had a substantial impact on the people, geographic area, or sector covered by the award, both qualitatively (how deep, lasting or transformative) and quantitatively (how many people or groups benefited within the area or sector);

INTEGRITY – there is no serious concern about, or challenge to, the nominee’s personal integrity.

Award Categories:

The categories for the Distinguished Alumni Awards are delineated in thematic terms rather than along professional lines, and may include, but are not limited to, the following:

- Good governance
- Public service
- Poverty alleviation and human development
- Peace and social cohesion
- Gender equality or women empowerment
- Community empowerment
- Environmental conservation and sustainable development
- Entrepreneurship and employment creation
- Corporate social responsibility
- Culture and the arts
- Science and technology
- Educational innovation
- Public health promotion

Awards need not be given in all the categories listed above if there are no deserving nominees. Other fields or areas of award may be considered as defined by the achievements of a deserving nominee. The UPAA Distinguished Alumni Awards are meant to be a cut above those given to alumni who have achieved successful professional careers. To deserve the award, all nominees, over and above the highly successful careers they may have attained, must still meet the criteria of *Service Orientation, Leadership, Impact* and *Integrity* described above.

The UPAA is making a special effort this time to identify for nomination, unsung alumni achievers—those whose achievements in little-known corners of the country are exceptional but have remained unheralded and unrecognized.

Distinguished Alumni Awardees are required to personally receive their award during the 2012 General Alumni-Faculty Homecoming and Reunion on 23 June 2012, and to attend the U.P. Alumni Council Meeting the day before, on 22 June 2012, both to be held at the Ang Bahay ng Alumni in the U.P. Diliman campus.

UPAA LIFETIME DISTINGUISHED ACHIEVEMENT AWARDS

The nominee, throughout the course of a career that is completed or nearly so, must have consistently rendered illustrious and meritorious service and achieved distinction in her/his areas of endeavor, which altogether clearly made the nominee a credit to her/his profession and to the University. The nominee, furthermore, should be an outstanding citizen who has led an exemplary life.

Given the character of this award, alumni who have retired from service in the public or private sector (but may yet be otherwise active), may merit higher rating points for the award.

A Lifetime Distinguished Achievement Awardee is required to personally receive her/his award during the 2012 General Alumni-Faculty Homecoming and Reunion on 23 June 2012, and to attend the U.P. Alumni Council Meeting the day before, on 22 June 2012, both to be held at the Ang Bahay ng Alumni in the U.P. Diliman campus.

UPAA DISTINGUISHED SERVICE AWARDS

The UPAA Distinguished Service Awards are given as a special recognition to individual alumni and alumni chapters or groups who have rendered exceptional service in the pursuit of the goals of the University, the Association, and the alumni in general. In addition to the merits of their contributions, the integrity of nominees shall also be considered.

The UPAA Distinguished Service Award for an alumni chapter may be conferred on an in-country or foreign-based alumni chapter, accredited by the UPAA, for its meritorious and exceptional activities, projects and other services which benefit not only the chapter members, but also the University, the UPAA and the alumni in general.

Individual alumni who are selected for the Distinguished Service Award are required to personally accept their awards during the 2012 General Alumni-Faculty Homecoming and Reunion on 23 June 2012 and to attend the U.P. Alumni Council Meeting and the UPAA Chapters Meeting the day before, on 22 June 2011. These three events will be held at the Ang Bahay ng Alumni in the U.P. Diliman campus. Groups or chapters being given the UPAA Distinguished Service Award are likewise required to send to these same events their duly designated representatives to receive the award.

UPAA MULTI-GENERATION U.P. ALUMNI FAMILY RECOGNITION

In 2012, the UPAA will give special recognition to families who have produced, as of the end of 2011, three or more successive generations of U.P. alumni, i.e., grandparent(s), parent(s), child(ren), and/or grandchild(ren). Regardless of their current place of residence or citizenship, each of these alumni in the family must have: spent some years in the Philippines after their studies in U.P., rendered some service to the nation, and continued to uphold the principles and values that the University stands for.

Alumni members of the families so recognized and their relatives and friends are welcome to attend the General Alumni-Faculty Homecoming and Reunion on 23 June 2012 at the Ang Bahay ng Alumni when the U.P. families will be recognized. However, at least one alumnus or alumna member of the family is required to personally accept this recognition on behalf of the family.

THE NOMINATION PROCESS

Nominations for the different awards are accepted from any U.P. alumnus or alumni chapter. The nominees need not know initially that they are being nominated.

In addition to the nominations submitted by individual alumni and UPAA chapters, the UPAA may establish search committees in the different campuses of the University and specific geographic areas to intensify the search for awardees.
